Parents

I'm excited to get the 2008-2009 school year under way. It is an honor to have your child in my class. Please let me know if you ever have any questions, comments or concerns. It is easiest to contact me at school during one of our class' specials. Please check the attached schedule for specials. I can also be contact through e-mail. My school e-mail address is: sgall@bps.k12.in.us
I'm looking forward to working with you this school year.

Class Web Site

www.mrgallsclass.com

My goal for the class web site is to help parents stay connected with what is happening in our class. I plan on doing informal updates on the class blog as well as posting some of what students write as well.

You can subscribe to the blog by going to the Class Blog page on the website and clicking "Subscribe in a reader."

Gym

You may want to note on the specials schedule that we have gym class on Fridays. Students will want to wear appropriate attire for gym on Fridays.

Class Rules / Discipline Plan

I am attaching a copy of our class rules and discipline plan.

Take Home Folders

Students will be given a green folder in which they should bring papers home from school. Students should make sure they give their folders to their parents. Parents, please take a few minutes each day to look over papers that come home. You will find out about what your child is learning, and in what areas you can give your child extra help. Students should bring their folder back to school everyday.
