Weekly Reading Homework

Attached please find a "Weekly Reading Homework" sheet. This will be sent home every Monday. Your child is required to read 70 minutes at home per week. You may also read to your child and include this time in the 70 minutes. Either you or child needs to record what was read and the number of minutes. Your child also needs to either write a sentence about what they read or draw an illustration from their favorite book. The sheet needs to be returned the following Monday. If you have any questions, please feel free to contact me. Thanks for all you do!

Birthday Treats

Birthday treats are welcome - no need to check with me. Items that can be served quickly and easily are preferred. We currently have 24 students in our class.

K-12 Planet

I inadvertently had a student pass out the K-12 Planet letters, not realizing that the letters were intended for specific students. If you received the wrong letter, please send it back to me. Mrs. Stine is going to try to get new letters printed this week for me to send home with the correct students. For second grade, the main bit of private information contained in K-12 Planet is attendance. When you receive the correct letter, you may login and change the password. I apologize for this mistake.

Book Checkout

We have a wide selection of books in our classroom library. Students get to enjoy these books in class as well as at home. Each student has a checkout card with which they can check out one book at a time from our classroom library. There is no due date on these books, but please help make sure books do get returned. Encourage your child to bring books home and have fun reading them with your child.
