Spelling Words

We are done adding new words to the word wall in our classroom. We will begin reviewing the word wall words next week. We will not have a spelling list the next two weeks. After spring break we will begin having weekly review lists. There will be a Friday spelling test over each week's list.

Students should know the words on the review lists well. They should be able to easily read and spell each word. They should also be able to use each word in a sentence (written or spoken.)

Fun Swim

We will be having a fun swim on Friday, March 20.

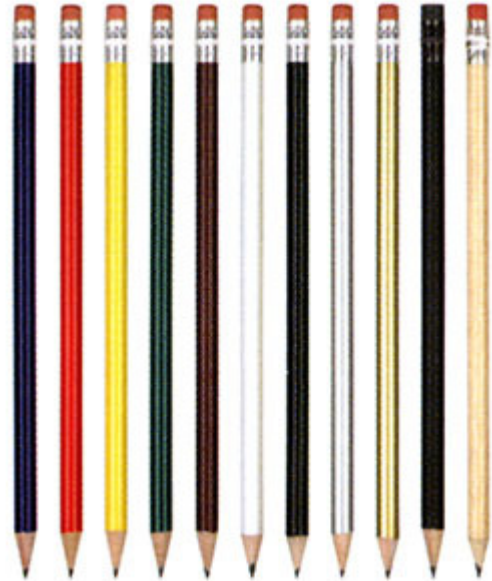

Class Web Site

If you haven't visited the class web site recently, be sure to stop by soon. There are plenty of pictures posted on the site from the first three 9-weeks of school.

Pencils

Many students are running low on pencils. Please ask your child if he/she need any pencils for school.

Book Order

I will send the last book order of the year home after spring break. These will be due on Thursday, April 23.

Spring Break

Be sure to encourage your child to keep reading over spring break. Students have set high goals for their reading fluency rates (words per minute) for the end of the school year. They will need to keep practicing in order to meet these goals.
